

“Bringing Edinburgh’s Communities Together”

Café Connect Volunteer Helper

We are thrilled that you are interested in being a volunteer helper in Café Connect

We hope that you find the information about what you can do to help the service and the people who attend it useful.

How will I make a difference?

The Eric Liddell Centre provides a number of services including a Day Care Service and support for carers. Several charities are based at the Centre and many different organisations rent rooms here. It is a busy place with a real buzz and a variety of different people from young to old not to mention the young families taking their children to classes from Monkey Music to Judo. We want to capitalise on this busy environment by offering people an opportunity to buy a coffee / tea or snack which would help us fund our core activities essential for the local community.

What will I be doing?

You may be serving or making coffee or working at the till point charging people for their coffee and snack. During quieter times you may be able to help by clearing tables around the Centre.

Will I be trained?

An induction will be provided by management support. Fire safety and emergency evacuation will be covered along with the layout of the Eric Liddell Centre and the location of varied activities within the Centre. Your initial training will also include food hygiene and use of the coffee machine and till point.

Is Café Connect on every day?

Café Connect is open to staff and members of the public Monday to Friday from 10.00am - 4.00pm. We are looking for volunteers to work 9.45am – 1.45pm or from 12.15pm - 4.15pm.

What do I do next?

Please complete the “Helping Hand Programme” application form and make “Café Connect” your first choice, we will then get back to you!
