

“Bringing Edinburgh’s Communities Together”

Volunteer Gardener

Do you have green fingers and enjoy the great outdoors? We are looking for a gardener to tend our small back garden once a fortnight for an hour or so. Ideally we are looking for someone with gardening experience.

How will I make a difference?

The Eric Liddell Centre provides a number of services including a Day Care Service and support for carers. We have a small back garden which is used by staff and our Day Care clients during the summer.

What will I be doing?

We are looking for someone who can keep the garden tidy and weed free. Tasks will include hoeing, weeding and occasionally trimming back shrubs. Tools will be provided but volunteers may wish to bring their own gardening gloves.

Will I be trained?

An induction will be provided by management support. Fire safety and emergency evacuation will be covered along with the layout of the Eric Liddell Centre and the location of varied activities within the Centre.

What do I do next?

Please complete the “Helping Hand Programme” application form and make “Volunteer Gardener” your first choice.
