

“Bringing Edinburgh’s Communities Together”

Volunteer Greeter

If you are energetic, friendly, helpful and like people, we would love to hear from you! Do you enjoy making others feel welcome and helping them find their way? If so, you are the perfect person to become an Eric Liddell Centre door greeter.

How will I make a difference?

The Eric Liddell Centre provides a number of services including a Day Care Service and support for carers. Several charities are based at the Centre and many different organisations rent rooms here. Every week, between 1000 and 2000 people come through our doors to take advantage of our caring services, our community classes and activities, or just to relax with friends in our café. Many of them will be in the building for the first time or attending an activity in a room where they have not been before. You would be helping these folks feel welcome and confident to find their way in unfamiliar surroundings.

What will I be doing?

As a door greeter, you will warmly welcome members of the public who come to the Centre, direct them to their respective activities and provide any assistance they might need (for example, leading a Mum with buggy to our buggy park or helping make sure an elderly guest operates the automatic door safely).

Will I be trained?

An induction will be provided by management support. Fire safety and emergency evacuation will be covered along with the layout of the Eric Liddell Centre and the location of varied activities within the Centre.

How much time will I need to give?

One to two hours one morning a week.

What do I do next?

Please complete the “Helping Hand Programme” application form and make “Volunteer Greeter” your first choice; we will then get back to you!
